

Table of Contents

19. Process: Cost systems	5
Nature of a process cost system	5
Process costing illustration	6
Process costing in service organizations	16
Spoilage	16
20. Using accounting for quality and cost management	37
Importance of good accounting information	37
Quality and customer satisfaction measures	41
Just-in-time method	45
Activity-based costing and management	48
Methods used for activity-based costing	52
Impact of new production environment on cost drivers	56
Activity-based costing in marketing	56
Strategic use of activity-based management	57
Behavioral and implementation issues	57
Opportunities to improve activity-based costing in practice	58
21. Cost-volume-profit analysis	73
Cost behavior patterns	74
Methods for analyzing costs	78
Cost-volume-profit (CVP) analysis	79
Finding the break-even point	81
Cost-volume-profit analysis illustrated	84
Assumptions made in cost-volume-profit analysis	87
Using computer spreadsheets for CVP analysis	87
Effect of automation on cost-volume-profit analysis	88
22. Short-term decision making: Differential analysis	104
Contribution margin income statements	104
Differential analysis	106
Applications of differential analysis	108
Applying differential analysis to quality	113
23. Budgeting for planning and control	128
The budget—For planning and control	129
The master budget illustrated	134
Budgeting in merchandising companies	147
Budgeting in service companies	148
Additional concepts related to budgeting	148
24. Control through standard costs	165
Uses of standard costs	165
Advantages and disadvantages of using standard costs	167
Computing variances	169
Goods completed and sold	180
Investigating variances from standard	181
Disposing of variances from standard	181
Nonfinancial performance measures	183
Activity-based costing, standards, and variances	183

25. <u>Responsibility accounting: Segmental analysis</u>	196
<u>Responsibility accounting</u>	196
<u>Responsibility reports</u>	198
<u>Responsibility centers</u>	201
<u>Transfer prices</u>	204
<u>Use of segmental analysis</u>	205
<u>Concepts used in segmental analysis</u>	205
<u>Investment center analysis</u>	208
<u>Economic value added and residual income</u>	212
<u>Segmental reporting in external financial statements</u>	213
26. <u>Capital budgeting: Long-range planning</u>	232
<u>Capital budgeting defined</u>	232
<u>Profitability index</u>	241
<u>Investments in working capital</u>	245
<u>The postaudit</u>	246
<u>Investing in high technology projects</u>	246
<u>Capital budgeting in not-for-profit organizations</u>	247
<u>Epilogue</u>	247
