22 Management Control Systems, Transfer Pricing, and Multinational Considerations 774
Symantec Wins $545 million Opinion in Transfer Pricing Dispute with the IRS
Management Control Systems 775
  Formal and Informal Systems 775
  Effective Management Control 776
Decentralization 776
  Benefits of Decentralization 777
  Costs of Decentralization 778
  Comparison of Benefits and Costs 779
  Decentralization in Multinational Companies 779
  Choices About Responsibility Centers 779
Transfer Pricing 780
  Criteria for Evaluating Transfer Prices 780
  Calculating Transfer Prices 781
  An Illustration of Transfer Pricing 781
Market-Based Transfer Prices 784
  Perfectly-Competitive-Market Case 784
  Distress Prices 784
  Imperfect Competition 785
  Cost-Based Transfer Prices 785
    Full-Cost Bases 785
    Variable-Cost Bases 787
  Hybrid Transfer Prices 787
    Prorating the Difference Between Maximum and Minimum Transfer Prices 788
    Negotiated Pricing 788
    Dual Pricing 789
A General Guideline for Transfer-Pricing Situations 790
Multinational Transfer Pricing and Tax Considerations 791
  Transfer Pricing for Tax Minimization 792

Concepts in Action: Transfer Pricing Dispute Temporarily Stops the Flow of Fiji Water
  Transfer Prices Designed for Multiple Objectives 793
  Additional Issues in Transfer Pricing 794

Problem for Self-Study 794 | Decision Points 796 | Terms to Learn 797 | Assignment Material 797 | Questions 797 | Exercises 797 | Problems 801 | Collaborative Learning Problem 805

23 Performance Measurement, Compensation, and Multinational Considerations 806
Misalignment Between CEO Compensation and Performance at AIG
  Financial and Nonfinancial Performance Measures 807
  Accounting-Based Measures for Business Units 808
  Return on Investment 809
Residual Income 810
Economic Value Added 812
Return on Sales 813
Comparing Performance Measures 813
Choosing the Details of the Performance Measures 814
Alternative Time Horizons 814
Alternative Definitions of Investment 815
Alternative Asset Measurements 815
Target Levels of Performance and Feedback 818
Choosing Target Levels of Performance 818
Choosing the Timing of Feedback 818
Performance Measurement in Multinational Companies 819
Calculating the Foreign Division’s ROI in the Foreign Currency 819
Calculating the Foreign Division’s ROI in U.S. Dollars 820
Distinction Between Managers and Organization Units 821
The Basic Trade-Off: Creating Incentives Versus Imposing Risk 821
Intensity of Incentives and Financial and Nonfinancial Measurements 822
 Benchmarks and Relative Performance Evaluation 823
 Performance Measures at the Individual Activity Level 823
 Executive Performance Measures and Compensation 824
Strategy and Levers of Control 826
Boundary Systems 826
Belief Systems 827
Interactive Control Systems 827
