Acknowledgements

I am greatly indebted to the many manufacturing representa-
tives of kitchen fittings for their advice and help.

The magazine *Which?* was also a very useful source for objec-
tive advice about kitchen appliances.

The Bibliography lists my main sources, amongst which I would
single out the small paperback *Kitchens* by John Prizeman as
being a classic.

The DoE series *Spaces in the Home* and the *Architects’ Journal
Activities and Spaces* are also invaluable.

My thanks also to Mary Tapping and Margaret Rixson for help
with typing the manuscript.
